BECOME confident in achieving your goals

We want our students to succeed in the classroom. Sometimes you need some academic support—big or small.

“I chose Curry because of [PAL](#). As someone who learns differently, attending a college with support for my learning style is crucial to my success. Now I take advantage of every opportunity. And as a new PAL peer mentor, I’m learning valuable mentoring skills that fit my long-term goals.”

Academic Advising

Our advising office offers guidance and support to students throughout their undergraduate experience as they explore and make choices regarding their academic program, major, and educational goals. Every student is appointed an advisor, who will work closely with the student over all four years.

Academic Success

The Office of Academic Success partners with students and other support areas on campus to develop strategies for students to have a successful semester. This is done through workshops, one-on-one consultations with students, and referrals to other campus resources.

Writing Center

Our professional Writing Center specialists and trained peer writing fellows are here to work with students at any stage of the writing process. This includes brainstorming, creating an outline, bibliography construction, and proofreading.

Learning Commons

curry.edu/LEARNINGCOMMONS

This dynamic hub, featuring the Science and Research Center, is designed to facilitate rich educational experiences. The Learning Commons combines extensive collaborative space and centralized academic and student support services, not to mention state-of-the-art labs, tools, and resources.

PAL: Program for Advancement of Learning

curry.edu/PAL

PAL is Curry's internationally recognized program that provides academically focused assistance to bright, college-able students with diagnosed learning differences, executive function challenges, and/or AD/HD. PAL offers 1:1 support from faculty and peers, collaborative learning cohorts, and technology-based support to provide students with the solid foundation they need to be successful.

The PAL program includes:

- 1:1 learning support
- Summer PAL to help first-year students start the fall on the right foot
- PAL Learning Cohorts for many majors and careers, so students in PAL can support one another's learning goals in their shared paths of study
- PAL Peer Mobile Learning Tutors for additional 1:1 support from fellow students
- PAL Peer Mentoring connects new students with a student in PAL who has advanced through the program and "knows the ropes"

OUTSTANDING STUDENT AWARD WINNER

Curry offers a mix of traditional residences, suites, and shared houses for our student community. Housing is guaranteed for full-time students for all four undergraduate years, which is why 80% of our first-year students and 75% of all undergraduates make their homes on campus.

Living on campus is a great way to stay focused on your academic goals, make new friends, and get involved in the clubs and activities happening just steps away from your room.

Our students can expect:

- access to housing in 19 Residence Halls, many in historic buildings
- smaller houses welcoming as few as 10 students
- a range of co-ed, all-male, and all-female living options
- access to free laundry
- 24/7 campus security

Dining at Curry

Students, faculty, and staff eat together at the newly renovated Marketplace, where you can have “all you care to eat” from a range of food stations, including everyone’s favorite, Sal’s Pizza.

You can also enjoy:

- Starbucks in the Learning Commons Café
- Grab & Go choices at the Kennedy Café
- Late-Night Bites at the Student Center
- KiwiBOT Robot food delivery to your room

Staying connected to our commuters

If you commute to your classes, you will find a friendly community to welcome you each day. Our commuters participate in the same co-curricular and recreational activities as our residential students, and we offer a comfortable Commuter Lounge to give you a dedicated space while you’re on campus.

Build memories that will last a lifetime.

“ Living on campus has been everything I expected it to be and more. There’s a quad for anyone to sit on the grass and read or just be outside in the fresh air. There is always something going on whether it’s an RA program like movie night, cookies in the lounge, or a food truck at the Student Center. There are numerous clubs you can join, and they are all special in their own way. But the best part about Curry is the community; there is a place for everyone at this school and I find that very special.”

STUDENT LIFE

LEARN MORE AT curry.edu/STUDENTLIFE

Curry is a welcoming community, where you can build meaningful relationships.

At Curry, diversity is central to excellence in education, not a separate goal. All our students should feel welcome and a sense of belonging on campus. We are an inclusive community where embracing differences is essential to creating a safe and welcoming environment for exploration and learning, as well as personal and professional growth.

Diversity Center

The welcome mat at the Diversity Center door says it all: "Everyone is welcome here." Designed to be a safe space on campus for all, with a specific focus on underrepresented populations, the Diversity Center provides students with the resources and tools to build an equitable community through open discourse.

Disability Services

The Office of Disability Services ensures that Curry College is an accessible, equitable, and inclusive learning and living environment for all students with disabilities. It provides accommodations and services that promote individual growth and self-advocacy.

Being a member of the Curry community means that your unique voice is a vital and valued part of all we do.

Curry recognizes that mental health and wellness has become a priority in everyone's life. As a community, we create a culture of support and wellbeing on campus.

Counseling Center

Designed to support students' personal growth, development, and academic success, our services provide students with an opportunity to understand emotional wellness and to develop skills they can utilize to make healthy choices. Our services offer students a place to learn about ways to manage stressors that affect them personally, as well as their academic progress and goals. We also provide prevention-based education that promotes mental health to the College community.

Wellness Center

The Wellness Center is an all-in-one health resource that connects students with staff members in Counseling, Health Services, and Wellness Education. Students can enjoy the space through different programmatic opportunities and hands-on resources that aim to foster their individual personal wellness goals.

Fitness Center

Our state-of-the-art, fully staffed Fitness Center offers cardio and strength training equipment, a dance studio and group exercise classes in spin, yoga, and HIIT.

Ask Alex!

Chat with Curry's A.I. Information Bot

Along with a robust human support system here at Curry College, your student can also rely on a friendly (and very cute) face in the form of "Alex" – an artificial intelligence texting chatbot focused on their success.

Alex can answer students' questions and help to address any challenges they may face as a college student: on-demand, 24/7.

Alex serves as a resource to connect students with support services and information about academics, financial matters, student life and involvement on campus, and importantly, their overall mental and physical well-being.

VISIT CURRY

LEARN MORE AT curry.edu/visit

The best way to experience Curry is to visit—but not just to take a tour. Let us customize a personalized visit experience, tailored to your individual interests, to show you how Curry can become your home away from home.

When you visit, we welcome you to talk with Curry students, faculty, and our Admission and Financial Aid teams to ask any questions you may have about our programs and life on campus. You can even attend a real class to find out what learning is like at Curry. If you live outside of the Greater Boston area, we're happy to recommend places to stay and things to do in Boston and New England to make the most of your visit. Start your visit by heading to curry.edu/visit to connect with our team.

Apply Today

Visit curry.edu/APPLY to get started, or get in touch with our Admission team at ADM@Curry.edu or (617) 333-2210.

Start your Curry application today by using the Common Application or the Curry College Application. Not only will you be considered for admission, but you will also be considered for scholarships and awards up to \$32,000 per year. You will receive an admission decision within two weeks or less from the time your application is complete.

It pays to apply early...

If you submit your application under our non-binding Early Action Plan, you may be eligible for an additional award of \$2,000 per year—up to \$8,000 in four years.

Haven't taken the SAT?

Curry College is test-optional because we believe you are much more than just a score.

Tuition and Financial Aid

Visit curry.edu/FINANCIALAID to get started, or get in touch with our Financial Aid office for more information at Fin-Aid@Curry.edu or (617) 333-2354.

Our investment in you

At Curry, we believe your future is a wise investment. We also recognize that finances are important when choosing the right college. Through our financial aid program, we are committed to investing in you and your future. We award, on average, \$45 million in scholarships and grants each year, with 99% of new first-year students receiving financial aid.

Getting started

To apply for merit scholarships and awards, simply complete an admission application. You will be considered for the full range of merit scholarships and will be notified of your eligibility at the time of admission. To apply for need-based financial aid, Curry requires only the Free Application for Federal Student Aid (FAFSA).

Visit studentaid.gov to get started.

The Curry Financial Aid Code is 002143.
