

## NOODLETOOLS CITATION BUILDER

[www.noodletools.com](http://www.noodletools.com)

### CREATING AN ACCOUNT

1. Go to the Levin Library Webpage.
2. Click on "NoodleTools Citation Builder" found on the right side of the screen (see the gray panel).
3. Click on "Connect to NoodleTools" (the second link).
4. Click on the "Create a Personal ID" button found at the center of the screen.
5. "I am a student or library patron" should be checked off.
6. Fill in the information requested under the "Choose a Personal ID" section.
7. Click on "Register" box.

NoodleTools can be accessed from any computer that has an Internet connection.

### CREATING A FOLDER

1. Click the "Create a New List" button found on the right side of the screen.
2. Check off the citation style you wish to use.
3. Create a title to put in the Description Box to name your folder.
4. Begin your Works Cited by using the drop down bar and click on "Create Citation."
5. Follow the prompts.
