College Success Coaches

The Scholarship

Bachelor's degree recipients may be funded for up-to four years of study.

As a need-based scholarship, the amount of financial support provided will depend on the cost of attendance determined by the in-state college or university in which you are enrolling. This is a last-dollar approach. That means your scholarship funds will only be applied after your family contribution and all other financial aid sources have been granted, greatly reducing the need for you to take out loans and incur educational debt related to the cost of attendance.

Eligibility

The program is open to under-resourced students who are permanent residents of Colorado, the District of Columbia, Florida, Kentucky, Massachusetts, New Hampshire, New Jersey, New Mexico, North Carolina, Ohio, Rhode Island, Texas and Utah.

- 2.5 - 3.59 unweighted GPA or GED
- Pell eligible and/or demonstrate financial need
- Attend as an incoming 2026-27 freshman to a 4-year accredited college or university in the state that you reside
