## About the Scholarship

To help Rhode Island students cover tuition, reduce the need for college borrowing, and increase their knowledge of financial topics related to paying for college, RISLA's Knowledge for College Scholarship provides a chance for entrants to win scholarship funds. Students currently enrolled or planning for enrollment within the year, such as high school seniors, may register for a chance to win.

## Eligibility Requirements

- Students must be Rhode Island residents accepted for enrollment at any nationally accredited 2- or 4-year college or a student currently attending a college or university in Rhode Island
- Students must register and submit answers to three financial literacy questions
- RISLA employees and their family members are not eligible for the scholarship

## Winner Selection

Four winners will be randomly selected on the first business day of the month. Each winner will be awarded a \$2,000 scholarship to be applied to the college of their choice. Additional bonus random selections held in June for students who entered every month. Eligible winners will receive a \$2,000 scholarship co-payable to the enrolled school of choice. Odds of winning depend on the number of eligible entrants.

## How to Enter

Students may enter RISLA's Knowledge for College Scholarship drawing once per month by completing the registration and financial literacy quiz, located at [risla.com/fin-lit-quiz](https://risla.com/fin-lit-quiz). The financial literacy topics and questions will change on the 1<sup>st</sup> of each month allowing students to increase their chances to win and demonstrate their knowledge for making good financial decisions.
